

I am a researcher with over ten years of experience in project coordination and supervision, as well as data management, analysis, and reporting. I am happiest working at the intersection of K-12 education research and data management planning, helping researchers and practitioners obtain insights that improve student outcomes through harmonized, reliable, and documented data. I am also passionate about helping others organize their data and reporting through reproducible workflows.

Technical Skills

R (data wrangling), R Markdown/Quarto (reporting), Qualtrics, Git and GitHub, SPSS, Microsoft Access, REDCap, FileMaker, Stata, Quick Base, SQL, SharePoint, Tableau

Education

University of Minnesota

MASTER OF PUBLIC POLICY

- Concentration: Advanced Policy Analysis

Minneapolis, MN

2009-2011

University of Missouri

BACHELOR OF SOCIAL WORK

- Concentration: Research Methods

Columbia, MO

2001-2005

Experience

Freelance

DATA MANAGEMENT CONSULTANT

- Providing research data management consulting, training, and data wrangling services to improve organizational workflows.

Remote

Mar 2022 - Present

Streamline Data Science

DATA SCIENTIST

- Created example client facing customer relationship management dashboard in R flexdashboard to demonstrate services.
- Built Google Trends interactive R flexdashboard to show capabilities of automatic updating data.

Remote

Nov 2021 - Mar 2022

Missouri Prevention Science Institute

DIRECTOR OF DATA STRATEGY

- Strategized data management plans for over ten externally funded projects and oversaw their implementation.
- Created standard operating procedures for all data management practices and provided annual staff training on systems.
- Merged, cleaned, queried, validated, and documented data collected from school districts, state education agencies, surveys, assessments, and observations using R.

University of Missouri

May 2019 - Nov 2021

DIRECTOR OF RESEARCH IMPLEMENTATION

- Supervised project staff, ensuring successful completion of data collection activities for six federally funded randomized controlled trial studies and two county funded projects.
- Designed and built data collection tools including Qualtrics surveys and Access tracking databases.
- Built reports, dashboards, and visualizations for dissemination of data.

Jul 2016-May 2019

RESEARCH ASSOCIATE

- Coordinated activities for two Institute of Education Sciences funded randomized controlled trial studies.
- Collected data in schools through classroom observations, surveys, and assessments.
- Established trusting relationships with school district partners.

Aug 2013 - Jul 2016

Big Brothers Big Sisters of Eastern Missouri

EVALUATION AND OUTCOMES MANAGER

- Oversaw the collection, analysis, and dissemination of data relating to performance management, outcomes, and stakeholder satisfaction.

St. Louis, MO

Jun 2011 - Aug 2013

Center for Advanced Studies in Child Welfare

RESEARCH ASSISTANT

- Evaluated the effectiveness of the Hennepin County Attorney's Office truancy intervention program using qualitative and quantitative methods.

University of Minnesota

Jan 2010 - Jul 2011

Humphrey School of Public Affairs

TEACHING ASSISTANT

- Taught lab sessions of a graduate level introductory statistics course using Stata.

University of Minnesota

Aug 2010 - Dec 2010

Hennepin-University Partnership

GRADUATE ASSISTANT

- Connected County officials with University faculty to develop effective partnerships to improve the community.

University of Minnesota

Sep 2009 - May 2010

Service

POWER Issues in Data Management in Education Research Hub

CO-ORGANIZER

- Organize and host monthly meetups and presentations on data management topics for a group of researchers and data managers in the field of education.

Remote

Jan 2022 - Present

R-Ladies St. Louis

CO-ORGANIZER

- Organize and host monthly workshops on programming in R.

St. Louis, MO

Aug 2020 - Present

Center for Open Science Unconference on Open Scholarship Practices in Education

ADVISORY COMMITTEE MEMBER

- Assisted in planning the 2023 event.

Remote

Oct 2022 - Mar 2023

RStudio Conference

TEACHING ASSISTANT

- Teaching Assistant for What They Forgot to Teach You About R Workshop.

Washington D.C.

July 2022

LaunchCode

TEACHING ASSISTANT

- Developed curriculum and taught data analysis once a week for a cohort of 25 women looking to make a career transition.

St. Louis, MO

Jan 2018 - July 2018

AmeriCorps St. Louis Education Team

TEAM LEAD

- Tutored elementary students, led educational programming, and supervised a team of three tutors.

St. Louis, MO

Aug 2007 - Aug 2008
