

# Crystal Lewis

✉ cgh.lewis@gmail.com | 📷 Cghlewis | 🌐 crystal-lewis | 🐦 Cghlewis

I am an education researcher with over ten years' experience in project coordination and supervision, as well as data management, analysis, and reporting. I am happiest working at the intersection of K-12 education research and data management, helping researchers and practitioners obtain insights that improve student outcomes through harmonized, reliable, and documented data. I am also passionate about helping others organize their data and reporting through reproducible workflows.

## Technical Skills

R, SPSS, Qualtrics, Stata, Microsoft Access, Quick Base, SQL, Git and GitHub, Tableau, SAS

## Education

### University of Minnesota

MASTER OF PUBLIC POLICY

- Concentration: Advanced Policy Analysis

Minneapolis, MN

2009-2011

### University of Missouri

BACHELOR OF SOCIAL WORK

- Concentration: Research Methods

Columbia, MO

2001-2005

## Experience

### Missouri Prevention Science Institute

DIRECTOR OF DATA STRATEGY

- Strategize data management plans for over ten actively funded projects and oversee their implementation.
- Merge, clean, manipulate, query, and document data collected from school districts, state education agencies, surveys, assessments, and observations using R.
- Analyze data for publications and build reports and dashboards for partners.

University of Missouri

May 2019 - Present

DIRECTOR OF RESEARCH IMPLEMENTATION

- Supervised successful completion of data collection activities for six federally funded randomized controlled trial studies and two county funded projects.
- Delivered quarterly trainings to staff on data collection methods.
- Designed Qualtrics surveys and Access tracking databases.

Jul 2016-May 2019

RESEARCH ASSOCIATE

- Coordinated two Institute of Education Sciences funded randomized controlled trial studies.
- Collected data in schools through classroom observations, surveys, and assessments.
- Established trusting relationships with school district partners.

Aug 2013 - Jul 2016
